ZONING CLEARANCE FOR CONTRACTORS LICENSE

Department's Role:

To ensure the applicant's **proposed contractor classification, the parcel being used and affiliate activities** is in compliance and conformity with the standards and requirements of the respective zone and that proper ownership/authorization is secure.

The applicant shall provide the following:

- 1 A **completed** CLB Contractors' License Application;
- 2 A complete DLM Zoning Clearance Form having the correct legal parcel designation;
- 3 Ownership (C.T. or Deed) or authorization (rental/lease) document (if more than one owner, a notarized authorization from the remaining owners);
- 4 Guam Land Use Commission Notice of Action, if applicable;
- 5 Certificate of Occupancy, if not cleared by DPW;
- 6 A DLM Zoning Clearance Form having the correct legal parcel designation and other required information; and
- 7 If a Notice of Action (if applicable) and/or a Certificate of Occupancy cannot be provided then an on-site inspection shall be arranged for the next available inspection schedule.
