FORWARD

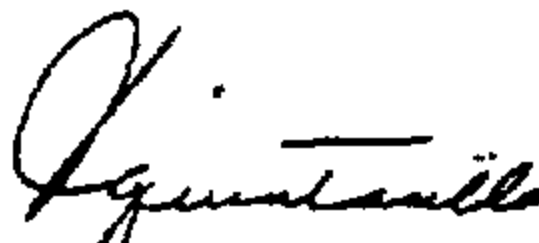

The Department of Administration's Personnel Rules and Regulations were first promulgated in March, 1979. The first rules and regulations were prepared with technical assistance provided by the Intergovernmental Personnel Programs Division, Office of Personnel Management, San Francisco region. Over the past decade, the Personnel Rules and Regulations played a vital role in supporting and shaping various personnel management programs of the government of Guam. This revision culminates a decade of changes in personnel management practices embodied in new laws and policies that have emerged as a result of changes in government and the workforce.

As was true with the very first rules and regulations, the revised rules and regulations provide the basis for guiding personnel principles to assure fair treatment of applicants and employees in all aspects of personnel administration without regard to race, color, religion, sex, national origin, political affiliation, or other non-merit factors.

The revisions enhance and clarify previous rules and regulations and add new provisions to address current issues of employee ethics, the Family Medical Leave Act, and a Drug-Free Workplace, among others.

Very truly yours,

John S. Salas, Director
Department of Administration

MESSAGE FROM THE GOVERNOR AND LIEUTENANT GOVERNOR

Hafa Adai! On October 1, 1996, Executive Order No. 96-24 was signed to promulgate the Department of Administration's Personnel Rules and Regulations. Although this document has taken much time and many forms in its development, it contains the standards that will guide us into a new era of personnel administration as we approach the year 2000.

Over the past years, since the implementation of the Department of Administration's first comprehensive Personnel Rules and Regulations in 1979, numerous laws and policies affecting personnel administration have been enacted or adopted. We are happy to report that the new Personnel Rules and Regulations contain many, if not all, of the changes and improvements which now govern your rights, conduct, and obligations as employees, as well as the responsibilities and actions of management. This Administration, as we have consistently professed, is committed to the merit system and to improving the efficiency and effectiveness of all department and agencies. It is also our desire to promote uniform personnel rules throughout the Executive Branch and believe that the new rules will be the model for autonomous agencies to follow.

We are confident that the new Department of Administration's Personnel Rules and Regulations will better serve employees and management as we strive to become more responsive in providing services to our people. It is important that you understand and familiarize yourselves with these policies. We urge you to attend orientation sessions as they are scheduled. Be especially mindful of the new Code of Ethics found in Chapter 3 of these new rules and regulations that will help all government employees be the best public servants that we can be.

Si Yu'os Ma'ase',

The department shall take action in accordance with such determination.
- C. Whenever the Commission finds that the positions are not placed in classes and grades in conformance with the uniform and unified system, it may prescribe, revoke or suspend in whole, or in part the classification authority of the Director.

5.005 Class Specifications

The class specifications shall be considered in allocating positions and shall be applied as follows:

- A. Class specifications are descriptive and explanatory and are not restrictive. The use of a particular expression or illustration of

duties, qualification requirements or other attributes shall not be regarded as excluding others not mentioned which are of similar nature.

- B. In determining the class to which any position shall be allocated, the specifications for each class shall be considered as a whole.

Consideration shall be given to the general duties, specific tasks, responsibilities, minimum qualification requirements and relationships to other classes consistent with statutory provisions.

- C. A class specification shall be construed as a general description of kinds of work characteristic of positions that are properly allocated to that class, and not as prescribing what the duties or responsibilities of any position shall be; nor as limiting or modifying the authority which appointing authorities have to take from, add to, eliminate entirely, or otherwise change the duties and responsibilities; to assign duties or delegate responsibilities to employees; or direct and control their work.
- D. The fact that all of the actual tasks performed by the incumbent of a position do not appear in the specifications of a class to which the position has been allocated, shall not be taken to mean that the position is necessarily excluded from the class, nor shall any one example of a typical task taken without relation to the other parts of the specification be construed as determining that a position should be allocated to the class.
- E. The statement of minimum qualification is to be construed as an expression of the minimum knowledge, abilities, skills, and experience and training which would be required of any appointee to a position in the class as partial evidence of his ability to perform the work satisfactorily.
- F. Qualification requirements in the specification for any class, as interpreted herein, shall constitute the basis for the tests to be included in examinations for the class, and for the evaluation of qualifications of applicants.

5.006 Title of Positions

The assigned class title shall be the official title for the purpose of personnel actions, and shall be used on payroll, budget and official records and reports. This requirement however, shall not prevent the use of organizational or other titles for internal administration, public convenience, law enforcement, or similar purposes.

5.007 Position Description

- A. Each department/agency must prepare a written description of the duties and responsibilities of each budgeted position on a form prescribed by the Commission. A group of like positions may be covered by a single description. The description may be prepared by the employee, supervisor and/or position classifier. However, the major responsibility to insure accurate descriptions is on the supervisor.
- B. The supervisor must certify as to the accuracy of the duties assigned and such certification shall be authenticated by the appointing authority. The position classifier must certify as to the proper classification of the position. Triplicate copies of the position description must be made, and a copy filed with the Commission, Department of Administration and the Department/Agency concerned.
- C. The position description must be amended whenever significant changes occur that would affect the recruitment and classification of a position, and must be promptly reported to the Director so that a review of the position can be made to determine the proper classification of the position.

5.008 Departmental Responsibilities

- A. Each department shall insure that the duties and responsibilities assigned to each of its positions are accurately reflected in an official position description. Amended descriptions should be submitted on a timely basis if significant changes in the duties and responsibilities of a position are made.

-
- B. Departments shall not use the classification process to evade the principles of the Merit System and effect personnel changes for which other personnel processes exist.

5.009 Periodic Review of Descriptions and Classifications

In addition to the day-to-day work of describing and classifying new, or changed positions to reflect current duties assigned and reported by supervisors, appointing authorities, or employees, the Director must review, at intervals not exceeding two years, all positions of the classified service within his jurisdiction to insure that the official position descriptions accurately reflect the work being performed, and that the positions are properly classified, and shall take appropriate action as necessary.

5.010 Determination of Proper Allocation for Newly Budgeted or Vacant Positions

When a new position is to be established/budgeted or a vacant position is to be filled, the appointing authority shall submit a position description to the Director in order that a determination of proper classification may be made. After the Director makes an allocation, he shall notify the appointing authority affected, in writing, of the approved allocation. No position may be filled until the Director certifies that the position is properly classified. Copies of all classification reviews shall be filed with the Commission for post-audit purposes.

5.011 Reclassification/Reallocation of Positions

- A. The Director may, upon his own initiative, or upon the written request of a permanent employee or an appointing authority, investigate the duties of any position to determine if it is properly classified; and shall take appropriate action as necessary, in accordance with the Commission's regulations, policies and procedures. In making a request for the review of a position, the employee or the appointing authority shall set forth the changes that have occurred in the particular position since the last review

or other factors which in his opinion warrant reclassification provided, that such changes in duties and responsibilities have been acquired or performed for at least three months and are not temporary in nature.

- B. The Director shall, after a thorough review of position, notify the appointing authority and the employee affected of the classification study result within 20 work days from the completion of the audit. A copy of the study, documented in a form prescribed by the Commission, and the personnel action shall be filed with the Commission for post-audit purposes.

Reallocation within a series of positions that is non-supervisory, shall be without competition.
- B. When a position is reallocated as a result of Planned Management Action, the requirements of the Merit Career Plan must be complied with. The employee holding a permanent position shall retain the position currently held should the requirements of the Merit Career Plan result in his non-selection.

-
- C. If ineligible for reallocation to the position as reallocated, the employee may be transferred, promoted, or demoted to an appropriate class by appropriate action, in accordance with the provisions of these rules.
 - D. The incumbent of the position designated for downgrade shall not have his current salary reduced. Salary adjustment in the reclassified position shall be suspended until the incumbent's salary increment in the new grade is granted. This salary adjustment is subsequent to Rule 5.012B.

5.014 Administrative Review

- A. An administrative review may be requested by an employee of the position, or his designated representative acting on his behalf, or the head of the department in which the position is located.
- B. All requests for administrative review must be in writing, shall contain the specific reason(s) for disagreement with the classification action taken by the Director, and shall state the action requested and the reasons the requested action is deemed more appropriate.
- C. An administrative review consists of a reevaluation of a classification action and is, therefore confined to the duties and responsibilities assigned to the position at the time the description was prepared, and which were the basis for the classification action. Subsequent changes in duties and responsibilities cannot be the basis for a request for administrative review, but must be reported on a new description and submitted for another classification action.
- D. The department head shall notify the affected employees of the original notice of classification action immediately upon receipt from the Director. Requests for administrative review shall be filed with the Director within 20 calendar days of the date the notice of classification action was sent to the department.
- E. The Director shall take such action as he deems appropriate, which may include rescinding the earlier action and taking a different classification action. The affected department shall be notified of the action taken.

8.004 Form of Leave Application

Application for leave of absence shall be made in the form prescribed by the Director.

8.100 ANNUAL LEAVE

8.101 Policy

The appointing authority shall afford an opportunity for employees to take leave, and particularly to avoid, whenever possible, loss of leave by forfeiture. However, leave may be denied by the appointing authority when the services of the employee are required after good faith consideration of the employee's request and operational requirements.

8.102 Request for Annual Leave

Requests for annual leave shall be submitted to the appropriate supervisor by the employee, at least 48 hours in advance, for leaves in excess of 40 consecutive hours; and 24 hours in advance for leaves less than 40 hours, in order to avoid unnecessary disruption of work. Reasonable consideration shall be afforded for emergency situations.

An employee who uses annual leave in an amount of time which is less than a full hour, shall be charged leave daily according to the following table:

| <u>Minutes Used</u> | <u>Time Charged (Minutes)</u> |

Pre-entry physical examinations shall be required of all persons prior to initial appointment to the position.

- A. The list that follows is not intended to cover every possible type of offense. Penalties for offenses not listed will be prescribed by the department head.
- B. Many of the items listed on this schedule combine several offenses in one statement, connected by the word "OR". Usage of the word "OR" in a charge makes it non specific. Use only the items which describe the employee's actual conduct and leave out parts which do not apply.
- C. Penalties for disciplinary offenses will, in general, range from the minimum penalty to the maximum indicated. In unusual circumstances, depending on the gravity of the offense, the past record, and the position of the employee, a penalty outside the general range may be imposed.
- D. Suspension penalties on this schedule apply to work days and holidays.

-
- E. Depending on the gravity of the offenses, dismissal proceedings may be instituted against an employee for any number of offenses committed. A greater penalty may be imposed for any offense if the circumstances justify greater penalty.
 - F. In as much as a reprimand is not an adverse action under these rules, a management official need not apply the Adverse Action Procedures. The penalty of reprimand is included in the schedule of penalty to provide certain flexibility for management's discretion to institute progressive disciplinary action against an employee or group of employees.
 - G. Reprimands shall not remain in an employee's personnel file for more than one year.

11.402 Range of Penalties for Stated Offenses

(Reprimands - Suspensions - Dismissals)

12.303 Equal Employment Opportunity Discrimination Complaint

When an aggrieved employee submits a written allegation of discrimination on grounds of race, color, religion, sex, national origin, marital status, age, disability, or political affiliation in connection with a matter which is subject to the government's grievance procedures, as well as the EEO discrimination complaint procedures, that allegation shall be processed under the EEO discrimination complaint procedures.

12.400 GENERAL PROVISIONS FOR USE OF GRIEVANCE PROCEDURES

12.401 Freedom from Reprisal or Interference

- A. An employee and his representative shall be free to use the grievance system without restraint, interference, coercion, discrimination, or reprisal.
- B. An employee, whether acting in an official capacity for the agency, or on any other basis, must not interfere with, or attempt to interfere with, another employee's exercise of his rights under this grievance system. To be fully effective, the spirit as well as the letter of this noninterference requirement must be enforced. It is not enough for an official to abstain from overt threats or interference. He should refrain from making any statement or taking any action which has the appearance or even the flavor of a threat, interference or intimidation.

12.402 Employee's Status During Grievance Procedures

An employee's status during each procedural level shall be status quo.

12.403 Right to Seek Advice

All levels of management will provide an opportunity for an employee to communicate with and seek advice from:

- A. his servicing personnel office;
- B. the equal employment opportunity administrator or agency equal employment opportunity counselor; or
- C. a supervisory or management official of higher rank than the employee's immediate supervisor.

- A. An employee must be given a reasonable amount of official time to present his grievance if he is otherwise in an active duty status.
- B. An employee's representative, if he is an employee of the government of Guam and is otherwise in an active duty status, must be given a reasonable amount of official time to present the grievance.
- C. There is no requirement that the official time for the presentation include time for investigation or preparation, or that it include travel expense or per diem travel allowance or consultation with private attorney.

12.406 Termination of Grievance

- A. An employee who has filed a grievance may terminate the grievance at any time.
- B. Failure on the part of the employee to proceed to a higher step of the grievance procedures within the time period specified, will terminate the grievance.

12.407 Management's Responsibility for Timely Action and Settlement at the Lowest Possible Level

- A. It shall be the responsibility of management to settle

grievances fairly and promptly at, or near the organizational level where the grievance was brought to their attention by the employee.

- B. Failure by management to render a decision to the employee within the allotted time at any step constitutes denial, and the employee may then proceed to the next step of the grievance procedures.

12.500 STEP 1 - INFORMAL GRIEVANCE PROCEDURES

12.501 Management Responsibility

An employee's grievance may, or may not be objectively justified. What is important is that the grievance is real to the employee. When the grievance is well-founded, management has both a duty and a need to eliminate the cause. When the grievance is not well-founded, it is equally important to reach an understanding based on the full facts. Therefore, the informal procedure should assure consideration of every employee's grievance with a degree of promptness, sympathy, understanding, fairness, competence, and authority which convinces the employee that he has been treated fairly.

12.502 Settlement at the Lowest Possible Level of Management

The informal procedures should be as simple as possible consonant with bona fide consideration of grievances. It should encourage settlement of matters at the lowest possible administrative level in the shortest possible time and should not, therefore, require any written explanation from the employee. However, the employee may present his grievance under the informal procedures, either orally or in writing, and he should not be prevented from submitting a written explanation if he desires.

12.503 Supervisor's Responsibility

- A. Normal day-to-day discussions between employees and supervisors regarding working conditions and related employment matters are the most constructive and expeditious means of developing and enhancing favorable and effective work relationships.

-
- B. Each employee of the government of Guam has the right to present matters to his supervisor, and each supervisor has the obligation to act promptly and fairly upon them, seeking the advice and assistance of others when necessary.

12.504 Employee's Responsibility

- A. Each employee is expected to make a concerted effort to achieve informal settlement of his grievance. He should bring his grievance to the attention of management promptly.
- B. Tolling Period - In counting the number of days for each step, if the last day of the period falls on a weekend, the filing time or receipt time falls on the next working day.

12.505 Using the Informal Grievance Procedure - Step 1

A. Initiation by Employee

In keeping with the personal nature of matters covered by grievance procedures, grievances can be initiated only by employees, singly or jointly; they may not be initiated by employee organizations. Employee organizations may be permitted to present a grievance on behalf of an employee, or a group of employees when requested to do so by the employee or employees.

B. Time Limit

1. An employee may present a grievance to his supervisor concerning a continuing practice or condition at any time. Grievances concerning a particular act or occurrence, must be presented within 15 calendar days of that action or occurrence.
2. The immediate supervisor shall render a decision within 10 calendar days of the presentation of the grievance.

C. Form of the Grievance

An employee may present a grievance under the informal procedure either orally or in writing.

D. Non-rejection Provision

A grievance may not be rejected in the informal procedure for any reason. If the grievance is not timely or consists of a matter not covered under the grievance system, the employee should be so advised, but he must be allowed to submit his grievance under the formal procedures if he insists.

E. Mandatory Use of the Informal Procedure

An employee must complete the informal procedure before the agency may accept from him a grievance concerning the same matter under the formal procedure.

1. statements of witnesses;

-

 3. reports of personal interviews.

F. Open Record

The grievance file is an open record. It is open for review by the employee and his representative, and must not contain any document that is not available to employees. MERIT CAREER PLAN
(Departmental and Government-Wide Announcements)

A. PURPOSE

This procedure outlines the responsibilities of the Appointing Authority and the Director when permanent classified employees apply and are being considered for career opportunities.

B. COVERAGE OF THE MERIT CAREER PLAN

This plan applies only to permanent classified employees.

C. EXAMINATION UNDER THE MERIT CAREER PLAN

The same examination will be used for all persons responding to a particular Merit Career Job Announcement.

D. REFERRAL OF LIST OF CANDIDATES

The top five [10 for labor/custodial] eligibles shall be furnished to the appointing authority based on rank order. However, in the event of tie scores with the fifth (tenth for labor/custodial) eligible, all eligibles with the same score as the fifth (tenth for labor/custodial) eligible will be referred.

E. SELECTION INTERVIEW

The Director shall establish procedures for interviewing certified eligibles.

F. EVALUATION OF CANDIDATES DURING THE SELECTION PROCESS

1. Evaluation of candidates shall be based on job-related criteria which measures the knowledge, skills, abilities and personal characteristics essential to successful performance in the

position to be filled. Due consideration shall be given to formal recognition of superior performance of candidates, job-related training, and performance appraisals.

2. Length of service, length of experience or level of formal education may be used as an evaluation factor when there is a clear and positive relationship with the requirements of the job to be performed. Length of service or experience may not be the factor given the greatest weight, unless the nature of the vacant job is such that other factors cannot be expected to identify significant qualitative differences between qualified candidates.

G. SELECTION DOCUMENTATION REQUIREMENTS

1. The basis for selection must be job-related. The results of the selection process must be on file with the recruiting department. Evaluation results are confidential and form a part of the selection process for the candidates being considered for the position. CSC reserves the right to post audit selection documentation records.
2. The appointing authority will advise all persons certified under a Merit Career Job Announcement of the fact that a selection has been made within 10 working days of the selection.
3. Individuals who were certified and were not selected may request that the Director of Administration review the adequacy of the consideration they received provided, that such a request is received in writing by the Director within five working days after the non-selectee was advised of the selection. The minimum qualifications established for the position may not be contested by a competitor. The following information shall be made available to competitors under a Merit Career Job Announcement upon request, and the Director of Administration shall periodically publish the competitors' right to this information:
 - a. whether the individual was considered eligible on the basis of minimum qualification requirements for the position;
 - b. whether an individual was one of those in the group from which selection was made; and

-
- c. who was selected.

H. HANDLING EMPLOYEE COMPLAINTS

1. The Director of Administration shall respond to employee questions or complaints about the career program, or about a specific promotion action, and provide the employee with appropriate information or explanation.
2. Issues that are not a basis for a formal complaint are:
 - a. failure to be selected when proper procedures are used. A complaint may not be filed for non-selection from a group of properly ranked and certified candidates.
 - b. any action required to be taken under the provisions of statute, or instructions of the Civil Service Commission.

I. EXCEPTIONS TO THE MERIT CAREER PLAN

1. The provisions of this Merit Career Plan are not required for career promotions which are:
 - a. Promotions without current competition where at an earlier date an employee was selected under a Merit Career Job Announcement for a position with known promotion potential to the position to which he is being promoted [the promotion potential must have been included in the announcement and, where appropriate, the career ladder (intervening promotion) documented in the original announcement].
 - b. Where the employee's position is reconstituted in a higher grade because of gradual accretion of additional duties and responsibilities, and the accretion was not the result of planned management action. For example, an increase in the level of the employee's performance or change in workload, procedures, or organization that affects the grade of the positions only incidentally.

NOTE: To be eligible for a career promotion when the position is upgraded under these conditions, an

employee must continue to perform the same basic function and his former position must be absorbed in the new one. When an additional position is created, or when the new position is not a clear successor to the former position, career promotion is not authorized. Similarly, a career promotion may not be made from a non-supervisory position to a supervisor or manager position, because these levels of positions inherently have specific administrative authority which can only be delegated by management.

2. The provisions of this Merit Career Plan are not required for the following personnel actions:

- a. A transfer from a position having known promotion potential to a position having no higher promotion potential.
- b. A detail appointment.
- c. An action taken as a remedy for failure to receive proper consideration in a competitive promotion procedure.
- d. A promotion resulting from the upgrading of a position without significant change in duties and responsibilities due to issuance of a new classification specification (standards), or the correction of a classification error.
- e. Re-promotion to a class or position from which an employee was demoted without personal cause and not at his request (acceptance of a demotion in lieu of layoff is not a demotion at the employee's request for these purposes).

NOTE: The competitive procedures of the Merit Career Plan will not be used before these individuals are accorded their rights to re-promotion.

- f. Recruitment or reallocation for chief, administrator, or manager positions.

J. ADMINISTRATION REQUIREMENTS

1. The Director shall provide for initial and periodic orientation to all employees concerning the provisions of this Merit Career Plan and the training of all supervisors, managers and Department/Agency Heads in their specific responsibilities for assuring the maximum publicity of Merit Career Job Announcements, as well as advising employees on the requirements and provisions of this Merit Career Pla

GG-130 A. *RIGHTS TO OTHER POSITIONS*

If there are no vacant positions available to permit a transfer or voluntary demotion under Rules GG-120 and 125, or if an employee refuses transfer or demotion, the employee shall have the right to displace (bump) another employee in the same or lower class series with less retention points, as calculated under Rule GG-110(A)(4) -- (For example a Clerk III may bump a Clerk III, Clerk II, or Clerk I with lesser retention points). A bumped (displaced) employee may then resort to Rules GG-120(A), GG-125(A) and GG-130(A) to determine his layoff status.

If a transfer, demotion, or bumping is unavailable, the employee will be subject to layoff.

 - b. If the Counselor is reasonably certain that the complaint cannot be resolved to the satisfaction of the

E. INVESTIGATION

1. The Civil Service Commission will advise the Agency Head and/or the EEO Coordinator/Officer in writing that a formal complaint has been filed by a Complainant no later than three days following the receipt of the formal complaint.

At the same time, the Commission will also advise the Complainant in writing, of the right to an EEO Review Committee Hearing.

F. EEO REVIEW COMMITTEE HEARING

1. The Complainant has five days following the receipt of the "Notice of Right To An EEO Review Committee Hearing", to file a request with the Civil Service Commission for an EEO Review Committee Hearing. The request must include a suggested list of witnesses the Complainant may wish the Committee to call. The Complainant is also required to supply two, 60 minute cassette tapes.

The Complainant and the Agency Head (ADO) will each select a member of the Review Committee and the Civil Service Commission will select the third member. The members of the Review are not advocates for either Complainant or Management (ADO), and must maintain impartiality throughout the conduct of the hearing.
5. The EEO Review Committee has 25 days to prepare for and conduct the hearing, and to submit its findings and recommendations to the Civil Service Commission. The Civil Service Commission will provide copies to the Agency Head and the Complainant.
6. The EEO Review Committee shall give at least five days notice to both parties and witnesses of the hearing date, time and place.
7. The Agency Head has five days following the receipt of the Review Committee report to accept, or reject the Committee's recommendations, and to submit a decision to the Civil Service Commission.

The Complainant may amend the basis (race, religion, color, sex, national origin, age, disability, marital status, or political affiliation) once as a matter of right at the time of filing. Any amendments thereafter will be at the discretion of the Board.
2. A hearing date will be set upon timely receipt of the Complainant's request.

3. The hearing is formal and involves a new determination of the issues. At this stage the Complainant has the right to be represented by an Attorney and should be prepared for a trial-type hearing.
4. The Civil Service Commission-EEO Review Board will issue a decision within 30 days after the conclusion of the hearing.

Note: "Days" in the discrimination complaint process refers to work days unless otherwise specified.

LEAVE SHARING PROCEDURES

PURPOSE

The purpose of the Leave Sharing Program is to provide assistance to employees who need to take extended period of absence from their employment for personal reasons as defined in this procedure. Absence must be for a minimum of 10 consecutive work days for medical emergency, and a minimum of five consecutive work days for other personal reasons.

STATEMENT OF POLICY

It is the policy of the government of Guam to provide assistance to employees, who need to be absent from their jobs for personal reasons, as defined in this procedure, but have exhausted their earned leave accrual. Through the generosity of other employees, annual or sick leave may be donated to those employees with legitimate needs for extended absence from work, as determined by their appointing authorities and/or the Director of Administration.

A. GLOSSARY

1. **EMPLOYEE.** A person currently employed by the government of Guam and who is entitled to leave accrual.
2. **FAMILY MEMBER.** Spouse, including a so-called "common law" spouse if such spouse is 18 years old or over, and has cohabited with the employee for at least the last two consecutive years immediately preceding the request for leave donation. Other recognized family members include children and adopted children and their spouses, grandchildren and adopted grandchildren, parents and parents-in-law, in loco parentis, grandparents, brothers and sisters.
3. **LEAVE DONOR.** An employee whose voluntary written request for transfer of leave to a leave recipient is certified and approved by his agency payroll supervisor.
4. **LEAVE RECIPIENT.** A current employee for whom the employing agency has approved an application for extended absence from his employment, and is

certified to be eligible to receive leave donated by another employee of the government of Guam.

5. **PERSONAL REASONS.** For the purpose of this procedure, "personal reasons is defined as those defined in "medical emergency" below, adoption of a child, divorce and separation, loss of a family member, cosmetic and voluntary surgery, child care, legal commitments, education, care for family member, who is elderly or has a mental or physical disability, and other reasons as determined by the Director of Administration.
6. **MEDICAL EMERGENCY.** A medical condition of an employee or a family member that is likely to require an employee's absence from duty for a prolonged period of time, and to result in a substantial loss of income to the employee because of unavailability of paid leave.
7. **ANNUAL LEAVE.** For purposes of the Leave Sharing Program, an employee may request annual leave to care for a sick family member and for other personal reasons authorized by this procedure. An employee may also opt to use annual leave in lieu of sick leave for absence, because of his illness and other authorized use of sick leave.
8. **SICK LEAVE.** Leave which is authorized for the employee who is incapacitated to perform regular duties or available light duty, due to illness or injury; medical treatment; complications due to pregnancy; childbirth; or when the employee's presence on the job will jeopardize the health of others because of exposure to a contagious disease (requires a quarantine by medical authority).
9. **IN LOCO PARENTIS.** Refers to the situation of an individual who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

B. ELIGIBILITY

1. **LEAVE RECIPIENT.** Any employee of the government of Guam, who meets the definition of family member and the intent and purpose of the Leave Sharing Program, who has used his appropriate accrual leave (annual, sick, and/or compensatory time off [CTO]), e.g. if employee is requesting sick leave, his sick leave should be used first; if employee is requesting annual leave, his annual leave should be used first before receiving leave donated by another employee. To be eligible for leave donation, the leave recipient shall be absent 10 consecutive work days or more for the medical emergency reasons, and five consecutive work days or more for other personal reasons, and must meet the criteria for annual or sick leave approval as defined in Chapter 8.

2. **LEAVE DONOR.** An employee of any branch of the government of Guam who has accumulated annual or sick leave in excess of one pay period, is eligible, to donate leave to another employee in any department or agency. Type of leave donated must meet the criteria for annual or sick leave defined above.

C. VOLUNTARY TRANSFER OF LEAVE

An active employee who has accrued leave balance in excess of one pay period may submit a formal written request to his payroll supervisor to make available for transfer, annual or sick leave of a minimum of eight hours at any one time, to another named employee authorized to receive leave under this procedure. The employee donating the leave may not request a transfer of an amount of annual or sick leave that would result in reducing his sick or annual leave balance to less than one pay period.

D. RECEIPT OF SICK/ANNUAL LEAVE

The leave recipient must use his respective personal accrued leave or earned CTO before he may be eligible to use the leave donated by another employee.

E. CONDITIONS FOR APPROVAL OF LEAVE TRANSFER FOR MEDICAL EMERGENCY

An appointing authority may permit an employee of the agency to receive donated leave based on the provisions of this procedure. The Director of Administration will conduct periodic audits on all donated leave transactions processed and approved by agency/department directors, and will repeal and take corrective actions on those approved actions which are not in compliance with this procedure. Employees found to have abused or committed fraudulent acts relative to the use of donated leave, shall be required to pay back the government for the full amount of his salary paid, as a result of the use of the donated leave. Appointing authorities may approve requests for donated leave subject to the following conditions:

1. The employee, or a member of his family suffers from a medically certified incapacitation due to illness, injury, impairment, or physical or mental condition which has caused, or is likely to cause, the employee to go on leave for at least 10 consecutive work days. An employee who is medically certified to be incapacitated for duty shall use sick leave, and at his option, use a combination of annual leave and/or CTO earned to his credit. However, an employee who needs to care for a family member shall use his annual leave and/or CTO earned and donated annual leave, but not sick leave.

2. The employee's need to be absent from work is certified by a licensed practicing physician.
3. The employee has to exhaust the type of leave, i.e., sick or annual, he is requesting, before the donated leave is used. An employee who is on sick leave status may opt to use annual leave, but should not be required to use annual leave.

Therefore, when the employee's sick leave has been exhausted, the employee may use his annual leave or use donated sick leave, but will not be required to exhaust annual and CTO earned. Similarly, an employee should not have to exhaust his sick leave in order to be eligible for donated annual leave for absence of a personal nature during the duration of the absence.

4. The employee has complied with the agency's policy concerning the request and approval of sick leave, annual leave or CTO.

F. CONDITIONS FOR APPROVAL OF LEAVE TRANSFER FOR OTHER PERSONAL REASONS

The appointing authority may submit a request for leave transfer, for reasons other than "medical emergency," for an employee in his agency to the Director of Administration for final approval. The Director of Administration will review and process all requests for donated leave, for non-medical reasons, on a case-by-case basis. The following are some of the more common non-medical reasons which employees may use to justify requests for a donated leave. However, these reasons do not, in and of themselves, become an authorization for personal reasons.

1. Adoption of a child, or to place a child up for adoption.
2. The employee is undergoing divorce or separation proceedings.
3. Loss of a family member.
4. Cosmetic and voluntary surgery.
5. Child care.
6. Legal commitments.
7. Education.
8. To care for an elderly or physically/mentally disabled member of the family.

G. PROCEDURES

It is the responsibility of the employee requesting for donated leave to obtain proper leave authorization from his supervisor and the department/agency head. The approved Leave Application Form (FCN 2-0-1), must be accompanied by the attached request for leave transfer forms (medical emergency and other personal reasons), endorsed by the donating employee, payroll supervisor and the appointing authority. The following officials are authorized to give final approval for leave transfer requests based on personal reasons:

1. Appointing authority of the recipient employee may approve all requests for medical emergency, subject to audit and repeal by the Director of Administration upon finding of non-compliance to established policy and procedures.
2. The Director of Administration has the final approval authority for all leave transfer requests submitted by the appointing authority of the recipient employee for all other personal reasons authorized by this procedure.
3. The payroll supervisor of both donor and recipient must ensure appropriate action is taken to accommodate the request in a timely manner.

All salary payments made to an employee while on leave transferred under this procedure shall be made by the agency/department employing the person receiving the leave. The leave recipient will continue to accrue annual and sick leave for as long as he is on a pay status.

Any leave transferred under this procedure for a specific request which remains unused, shall be returned to the leave donor. Any employee, who needs additional time off for reasons authorized by this procedure, may submit a new request for leave donation. All approved requests for leave transfers will be used for one time only.

H. LIMITATIONS

Transfers of leave are subject to the following restrictions:

1. No transfer may be made by any employee to his or her supervisor or to any person above him or her in the supervisory chain, or to a member of the supervisor's or such supervisory person's immediate family.
2. Leave may not be transferred to another employee if, as leave recipient, he intends to use it for credit towards retirement or accumulated leave.

3. Donated leave shall not be converted to cash or retirement credit by the leave recipient.
4. Annual or sick leave donated by an employee is understood to be a donation and shall not be sold or loaned to the recipient.
5. No employee shall directly or indirectly intimidate, threaten, coerce, or attempt to intimidate, threaten, or coerce any other employee for the purpose of interfering with the employee's right to voluntarily contribute leave when authorized under this procedure. For the purpose of this procedure, "intimidate, threaten, or coerce" shall include, without being limited to, the promise to confer or the conferring of any benefit or effecting or threatening to effect any reprisal.

EMPLOYEE FURLOUGH PROCEDURES

PURPOSE

To establish Furlough procedures as an option for the government of Guam to cut administrative costs and continue to provide vital public service to the people of Guam. In addition, furlough procedures shall be administered and coordinated with procedures for employee layoff, priority placement, outside employment, and leave without pay policy. The Director of Administration may revise, change or add to the following policy and procedure, as appropriate, subject to the review of the Civil Service Commission.

STATEMENT OF POLICY

It is the policy of the government of Guam to resort to employee furlough, when necessary, to avoid layoff of employees and to ensure that the government meets its commitment to the people of Guam in the areas of education, health, safety, and other vital services. This procedure will be used only after all other efforts have been explored by departments and agencies to cut operating costs. Heads of departments and agencies shall submit requests for employee furlough to the Director of Administration for approval.

A. *DEFINITION*

A furlough action is the placement of an employee in a temporary non-duty and non-pay status on a continuous basis (for example 10 consecutive days), or a noncontinuous basis (for example one day a week). A furlough is not a layoff or reduction in force action.

B. *REASONS FOR FURLOUGH*

Furlough is caused by any one of the following reasons:

1. Lack of work.
2. Shortage of funds.
3. Insufficient personnel authorization.
4. Reorganization.
5. Reclassification of an employee's position due to erosion of duties when such action will take effect after a formal announcement of a reduction in force.

C. TIME LIMIT

Departments/agencies may furlough an employee for a period of time listed below:

1. One to thirty (1 to 30) consecutive days on a continuous basis, or 22 work days if done on a noncontinuous basis.
2. More than 30 consecutive days, or more than 22 work days to a maximum of one year. The one year limit begins the day after the notice period ends and when the furlough begins.

D. VOLUNTARY FURLOUGH

Employees who are interested in taking leave of absence without pay will be encouraged to voluntarily apply for a furlough. This opportunity is especially beneficial to employees who have outside part-time employment. Employees who volunteer for furlough, for a period not to exceed one year, will be allowed to work increased hours at their outside employment without regard to the scheduled hours of work with the government.

E. INVOLUNTARY FURLOUGH

Where budget constraints are crucial, the Director may resort to involuntary furloughs after it has been decided that the voluntary furlough will still not meet the necessary cost reduction. Furloughed employees shall be furloughed, based on retention points, for the time limits authorized above. Furlough will be used to the maximum extent possible in order to reduce the necessity for layoffs. Departments and agencies having exclusive bargaining units must work with the employee unions to explore all avenues to avert layoffs, and obtain their support for this option.

F. RESTRICTIONS

A department or agency may not:

1. furlough any employee it does not intend to recall to duty in the same position within one year; or
2. separate an employee through layoff while an employee with lower retention points in the same competitive level is on furlough.

G. FURLOUGH IMPACT ON EMPLOYMENT BENEFITS

Employees on furlough, voluntary or involuntary, will be covered for health benefits based on the following conditions:

1. The government will pay for both government and employee contributions during any period of furlough only when the employee is certified to have

family income at or below the Department of Public Health and Social Services, Medically Indigent Program Income Eligibility Level for the specific household size.

2. Employees with some form of income (e.g., spouse's income, part-time or full-time job, etc.) during the furlough period shall be required to pay for the employee's contribution portion only, of the health plan premium provided this income is greater than the Department of Public Health and Social Services, Medically Indigent Program Income Eligibility Level for the specific household size.

Employees who wish to continue their life insurance benefits will be required to pay for the premium for supplemental plans only. The employee will continue to be fully covered for the basic life insurance while on furlough.

H. *FURLOUGH RETENTION RIGHTS*

1. **Release by Furlough.** The action to release an employee scheduled for a furlough must be consistent with established layoff procedures. A department/agency may furlough an employee under the layoff provisions only, if the employee has no right of assignment, or refuses an offer of assignment. A furloughed employee who accepts another offer of assignment, becomes the incumbent of the offered position unless the employee accepts an offer of recall to the position from which furloughed.
2. **Assignment Rights.** In determining whether a furloughed employee has assignment rights to another position, it is important for the department/agency to consider whether the offer would result in undue interruption to the organization. Since a furlough anticipates an employee's recall to the same position, the agency should consider whether undue interruption would result from the displacement of a lower-standing employee, and from the recall of both employees to their positions of record at the end of the furlough period. The assignment right does not apply when all employees in the department/agency are furloughed at the same time, or on the same basis. For example, if all employees in the Department of Administration were furloughed one day a week (either the same day or different days) on a noncontinuous basis for 28 weeks, none of the employees would have a right of assignment to another position. If only some of the employees were furloughed one day a week for 28 weeks, and other employees were not furloughed, the furloughed employees would have a right of assignment to positions held by employees with lower retention standing, and not affected by the furlough only if there was no undue interruption.

I. *RECALL FROM FURLOUGH*

If all employees furloughed from a competitive level cannot be recalled at the same time, the employees must be recalled according to their retention points beginning with the highest-standing employee.

J. SEPARATION IN LIEU OF RECALL

1. **No Recall.** If the situation changes and a department/agency determines that a furloughed employee cannot be recalled within the one year period, the employee must be separated unless the employee accepted an offer of assignment to another position. If some, but not all furloughed employees in a competitive level must be separated, employees are selected for separation by retention standing points beginning with the lowest-standing employee. A new layoff notice of separation must be given to the furloughed employee at least 60 days prior to the end of the one year furlough period. The separation of a furloughed employee is a new layoff action. Separated employees are entitled to the same rights as those employees separated through regular layoff procedures.
2. **Failure to Return.** If a furloughed employee refuses or does not respond to a notice to return to duty, the department/ agency may separate the employee by layoff effective on the specified date of recall. A new layoff notice of separation is not required.

K. PROCEDURES

Department and agency heads must submit a request to the Director of Administration for authorization to conduct a furlough within six months of the proposed furlough. The request must specify the reason for the furlough, the number of employees and/or positions to be affected, and the duration of the furlough. After the Director's approval, the following procedure applies:

1. A written 30 day notice that a furlough is planned, must be issued to all employees (whether or not identified for furlough) in the department/agency. The notice must include the following information:
 - a. The date the furlough will commence.
 - b. The period of furlough (i.e., 1-30 days continuous, 22 or more days non-continuous, or a maximum of one year).
 - c. Employees may volunteer to be furloughed.
 - d. Lost of some employment benefits for furloughed employees.
 - e. Employees under furlough are not restricted from seeking other employment during the furlough period. Those employees who already have part-time jobs while employed with the government, may opt to increase their hours of work up to a full-time basis during the furlough period.
 - f. Furloughed employees must report to work when recalled to duty.
 - g. Furlough will be conducted in accordance with employees' retention standing points.

- h. Furloughed employees have the right to appeal to the Civil Service Commission.
- 2. Encourage the use of voluntary furlough to the maximum extent possible before implementing involuntary furlough.
- 3. Coordinate with the Department of Administration, Division of Personnel Management, with regard to the feasibility of assigning employees reached for furlough, to ensure fairness in the assignment and that the furlough poses no unnecessary disruption to the agency's/department's mission.
- 4. Those employees who cannot be assigned to other positions within the department/agency will receive written "Notice of Furlough". This final (or second notice) will again include the same information as the first notice. In addition, the furloughed employee shall be:
 - a. encouraged to continue his insurance coverage by personally paying for the premiums.
 - b. informed that his name will be retained in a "recall list" for one year, and must keep current address and telephone number at the DOA Personnel Office.
 - c. informed that if he fails to provide a current home address on record with his/her department/agency, will lose recall rights.
 - d. informed that he must respond to the recall notice within seven days of receipt or its attempted delivery, or lose his rights for reemployment.
 - e. notified that he must inform the agency/department, or DOA Personnel Office if he becomes unavailable for recall.
 - f. provided appeal rights to the Civil Service Commission.

L. *RECALL*

Employees will be recalled according to need, classification, or ability to do the job based on retention standing points. The recall notice will be sent registered mail, return receipt requested, to the current home address furnished by the employee.

Returning employees will be paid the same salary as before they were furloughed. Any unused sick leave or annual leave accrued prior to the furlough will be reinstated. All employment benefits will be restored at the same rate as before the furlough.
